**Dear Hunter;**

**The purpose of this correspondence is to express our interest in the reestablishment of the Rho Lambda Chapter of Delta Kappa Epsilon Fraternity. Dennis Clowers, vice president of our alumni association discussed this with you recently and it is our understanding that it is the University of Oklahoma's policy to allow one fraternity per year and that 2025 is the next opening.**

**We are formally asking to confirm 2025 so that we can begin planning for formally reestablishing our chapter at OU.**

**Please confirm receipt of our request and confirmation to:
